Dear Mr. W.

I am grieved indeed to hear of Marvin's death. We were school mates. Be so good as to convey to his family my hearty sympathy -

I shall also be obliged if you will obtain for me from his ~~copy~~ my M.S. for the completion of the last of Austrian medals, which was sent for the Num. Journal -

I had heard with pleasure from my son of your appointment with the N.Y. Society - It is a position replete with very interesting &

Creditable possibilities - For many
years Messrs. Grah & Pillion frequently
aided me, & I in turn was de-
lighted when I could reciprocate - I
shall look forward with anticipation ^{to}
similar experience -

I hope for your sake that
Miss Agnes Baldwin will have re-
turned, & as your assistant. She
seemed to be very much in-
terested in ancient Greeks & Romans,
& I have never yet heard of her
being retired.

Sincerely yours

H. R. Storer
